

## SCHOOL MEDIA RELEASE

August 26, 2009

### Welcome Back!

The administration and staff of New Liskeard Public School are looking forward to the 2009-2010 school year.

New Liskeard Public School is proud to offer a full range of educational programs for students from Junior Kindergarten to Grade Eight. Additionally, families who choose to have their children educated in a second language also have the option of enrolling their children in our early and late French immersion programs.

New Liskeard Public School is also a school with many different programs for students with special needs. In our school, we have an Integrated Behaviour class, early and intermediate Skills classes, and full special education services for students who need support in regular classroom settings. We are also pleased to host the provincial schools Trillium satellite classroom for students with learning disabilities.

We are a busy school, and one that is actively involved in the community. In the month of September alone, we will be participating in the New Liskeard Fall Fair, the International Plowing Match and Rural Expo (<http://www.ipm2009.net/>), and the annual Terry Fox run. As well, our monthly spirit day for September will celebrate our school spirit, with a green and gold school colours day.

Please feel free to contact us at any time if you have questions about our school. The school contact number is 705-647-7341. Our website address is <http://www.dsb1.edu.on.ca/schools/nlps/index.php>, and there you will find additional information about school policies and programs, and a school calendar outlining special events and activities for the school year.
